

# INDIAN INSTITUTE OF GEOMAGNETISM

(An Autonomous Scientific/Research Organisation  
under the Department of Science and Technology, Govt. of India)  
EQUATORIAL GEOPHYSICAL RESEARCH LABORATORY, TIRUNELVELI

Applications are invited for **RESEARCH SCHOLAR** posts:

The Indian Institute of Geomagnetism (IIG) is a leading institute of the country actively engaged in basic and applied research in Geomagnetism and allied areas of Atmospheric and Space Physics. IIG operates the EQUATORIAL GEOPHYSICAL RESEARCH LABORATORY (EGRL), one of its regional centres located near Tirunelveli (Tamil Nadu). The institute offers research oriented programmes for post-graduate students at this centre (EGRL) leading to Ph.D. degree.

**SCHOLARSHIP:** Rs. 12000/- per month (consolidated) for first and second years and Rs. 14000/- per month in subsequent years. Those candidates who have CSIR-UGC-JRF (NET) qualification are eligible for scholarships of Rs. 16000/- (first and second years) and Rs. 18000/- (during subsequent years). In addition, a book grant of Rs. 6000/- per annum is provided to the students during the second and subsequent years.

**REQUIREMENTS:** M.Sc. in Physics with a minimum of 60% marks. Candidates who are appearing in the final year examination may also apply.

**MAXIMUM AGE:** 28 years

**SELECTION CRITERIA:** Candidates who have cleared either the GATE or the CSIR-UGC-JRF (NET) examination in Physical Sciences will be called for the interview. For others, a separate written examination will be conducted by the centre followed by the interview.

Applications with complete academic details given on a plain paper are to be accompanied by attested copies of certificates/degrees and should reach the **Head, Equatorial Geophysical Research Laboratory, Krishnapuram, Tirunelveli 627 011**, on or before **31 May 2011**.
