**If You Have A Desire To Innovate !
We Have An Opportunity To Stimulate!!
ComeJoin Hands !!!**

We provide the means to realize your dreams towards seeking an excellent scientific pursuit.

An Invitation to take up Challenging careers in DAE

Indira Gandhi Centre for Atomic Research (IGCAR) set up in 1971 at Kalpakkam (a coastal hamlet, located 80 kms south of Chennai (MADRAS) and is 8 kms south of historic Mamallapuram (Mahabalipuram)), is a premier R&D establishment of the Department of Atomic Energy. The primary mission of the Centre is to conduct a broad based multidisciplinary programme of robust Scientific Research and Advanced Engineering, directed towards the development of technology of sodium cooled Fast Breeder Reactors (FBR) and associated closed fuel cycle technologies. The programmes at IGCAR are at the cutting edge of frontier areas of science and technology. The vision of the Centre is to establish world leadership in FBR and associated closed fuel cycle technologies by 2020. IGCAR offers excellent opportunities for Engineers, Scientists and Technicians to participate in its program of power generation and application of radiation to the benefits of society.

Come. Join Us

The mission oriented program of IGCAR offers challenging and complimentary roles for scientists, engineers and technicians. If you are a Postgraduate in Science/ Engineering or a Graduate in Science/ Engineering or a Diploma holder in Engineering or ITI qualified with a passion for taking up challenging assignments to contribute to the efforts of the Department to provide energy security to the nation, we welcome you to apply to join the Centre, as a Scientific / Technical Officer / Scientific Assistant / Technician. We are looking for young Graduates/ Diploma holders / SSC / HSC/ ITI qualified in various science/ engineering disciplines to join our teams to take up R&D programmes related to FBR and fuel cycle development including construction of process plants and facilities on an industrial scale.

Benefits & Prospects

- Excellent growth potential through periodical merit based performance review system [Merit Promotion Scheme]
- Opportunities to upgrade qualification
- Medical facilities [Contributory Health Service Scheme] – for self & dependents
- Housing accommodation (subject to availability)
- Free transport facility from selected location

What you need to do?

If you meet the educational qualification, age limit and other requirements against the below mentioned posts, please rush your application addressed to:

**Administrative Officer –II (R),
Indira Gandhi Centre for Atomic Research
Kalpakkam 603 102, Kancheepuram District, Tamil Nadu**

Please go through the details of the posts carefully and prepare your application.

At IGCAR, we believe in 'EXCELLENCE WITH RELEVANCE'.

*Our strengths are the highly stimulating and scholarly environment,
state-of-the-art facilities and the seamless interface between
Science, Engineering and Technology.*
